WORK HISTORY:

Amazon - Data Analyst (San Antonio, Texas)

March 2023- Present

- Built a lightweight data pipeline in AWS and used machine learning (AWS SageMaker) to forecast defects leading to an estimated **loss prevention cost of \$ 1 million**.
- Designed a sensational **quicksight dashboard**, showing SAT3 Associates injury trends and correlations leading to a projected **injury rate reduction of 25%** and the launch of an informed injury prevention program by the Safety team.

Correlation One - Data Analyst Apprentice (NewYork,USA - Remote)

January-May 2023

- **Created a 1-click** reporting Excel tool using (VBA, MATCH(), INDEX(), COUNTIFS), SQL, and Python (Pandas) to gather customers' insights leading to an **estimated savings of \$ 150k**.
- Design a dynamic and interactive **Student Demographics [dashboard](#)** (for Open University) in Tableau providing management with digestible data to inform their business decisions resulting in an increase in **female Student enrollment by 10%**, (from underrepresented regions such as Ireland).

INSPIRE WEEK - AgileCoach/Scrum Master (Ottawa Canada/ Douala, Cameroon)

March -December 2022

- Designed IMPULSE (an Incubator by Pan-African Associates Inc) by using the **empathy mapping technique** to dive deeper into the pain of aspiring entrepreneurs, leading to an outstanding post-event engagement of **105%**.
- Enhanced event attendance by **50%** by launching **laser-focused** and creative marketing campaigns.

ETECHYOU(Non-Profit) - Founder/President (Yaounde, Cameroon)

September 2019-Current

- Founded [ETECHYOU](#) which has trained **+133 entrepreneurs** leading to the creation of **75+ startups** with a combined estimated valuation of **\$ 2.5 million**.

Latest Freelance Projects -AI Chatbots, Web Designing, Digital Marketing- (Remote)

January 2017- Present

- Created a **state-of-the-art AI Chatbot** for an Edtech Company using Botpress, Python, and Zapier making the onboarding process of **students seamless** with an estimated savings of **45 hours of monthly labor**.
